

FCC:

I am writing to protest the expansion of the LPFM because it would keep Air1 from witnessing to millions of people world wide. This organization strictly operates on donations from its listeners which means that the listeners want to hear Air1. They are commercial free and depend on listeners to keep them on the air.

Air1 plays music that is wholesome and family friendly. The station allows people who are non Christian and Christians to hear God's word. The station provides positive and encouraging impacts on communities across America. LPFM will impact America in a devastating way keeping millions and millions of people from hearing God's word. This organization needs to stay on the air as we need to change this country from its liberal ways. Do not give allow the LPFM to give priority over FM translator services.

Thank you for your time.

God Bless America!
